Congratulations Graduates!

Congratulations to our Landis students: Riley Dearing, Ashley Hill, Austin Garrett, and Tommy Ehry on graduating high school. Best of luck in your futures

E-Transfers Coming Soon

Watch for more information in the next newsletter.

Welcome To our New Staff Members

Deb Penley—A Familiar Face Has started as a member services representative.

Rob Thomas—A New Face Will be starting June 6 in the loans department.

Be sure to welcome them to the Credit Union next time you are in the branch.

Protecting Your Card Information

Two pieces of information are needed for card fraud to happen— your PIN number and your chip/magnetic strip information.

To protect you PIN you should be doing the following.

Change your PIN often.

Use the TAP feature on your card as this reduces the amount of times that you have to enter your PIN.

Cover the PIN Pad when typing in a PIN.

To protect your chip/magnetic strip information watch the terminal.

If the card slides in further than normal, the machine may have been compromised so that it captures enough of the magnetic strip on the back to reproduce the card.

If the card is difficult to slide in, it may indicate that the machine has been tampered with and a chip reader has been inserted into the machine.

A reminder to bring in your Farm Plan Information and 2015 Income Tax/ Financial Statements when they are ready.

Access Your Account Information on the Go!

Sign up for mobile banking from your online account to check your balance or view recent transactions by text . It's simple, secure, and available 24/7.

To get started Select Account Services from the home page after logging into online banking or stop by the branch and talk to one of our staff.

Co-op Camp

If you are between the ages of 12-18 and interested in a youth leadership camp, stop by the credit union for more information and sponsorship. Camps run between July 4 and Aug 10 and include a wide range of outdoor activities at either Candle Lake or Last Mountain Lake.

Registration pamphlets are available for pick up at the Credit Union.

Want to avoid extra ATM withdrawal fees? Look for the "Ding Free" label on Credit Union ATM machines. There will be no charge to you if you use a participating "Ding Free" machine. Download the "Ding Free" App to search for the nearest "Ding Free" ATM anywhere in Canada.

Interac Flash Feature on Cards

You may have noticed on your debit card that it has a tap feature called Interac Flash. This allows you to make small purchases by tapping the card instead of using the PIN. This method of payment is designed to be more secure. Your card is not being inserted into a machine, so there is no way to steal your card information. Additionally, since no PIN is entered that information is also protected.

There are limits on the purchases that can use this feature. Only purchases under \$100 can use this feature. Additionally, once a total of \$200 is reached using the tap feature, the PIN will need to be re-entered to reset your Interac Flash limit.

Inter-Credit Union Banking

Did you know you can make deposits or withdrawals to and from any Credit Union account at any Saskatchewan Credit Union?

All you will need is your debit card.

At most credit unions you have 2 options available to you:

- use the ATM to make your deposit or withdrawal.
- ask the staff to assist you with the CEBS machine to make a deposit or withdrawal.

Did you know that you can change your debit card, Global Payment MasterCard, and CUETs MasterCard PIN at most Saskatchewan Credit Unions?

If you know the current PIN you can use the ATM to change it.

If you do not know your PIN ask a staff member to assist you with changing the PIN.

Same Day CUETs MasterCard Payments

Processing a bill payment usually takes 2-3 business days, but we can now process CUETs MasterCard payments in 1 day if required. Bring in the CUETS MasterCard that you want paid, let us know it needs to be paid today and we can process the payment for you.

Newsletter by Email

If you would like to receive this newsletter by email, please email ashley.booker@landis.cu.sk.ca to be added to the list.

Plan on travelling in the near future?

Don't forget to notify Landis Credit Union of your travel plans to ensure you have access to cash while abroad.
