Fee Increases

Effective January 1, 2018 the following fees are increasing: CAFT Return—\$40.00, Returned/Rejected Item—\$25.00, and Bill Trace—\$20.00.

Changes Coming for Savings Accounts

On January 1, 2018 all special savings accounts will be changed to Plan 24 accounts.

Your account number will stay the same.

You will still get 2 free withdrawals each month. After that, each withdrawal will be charged between \$0.50 and \$1.00 depending on the transaction type. You can still make unlimited deposits.

Your interest rate will still be 0.25%. However the interest will be calculated daily and paid monthly instead of calculated monthly on the minimum balance and paid semi-annually. This change will result in more interest paid to you.

If you have any questions or concerns stop by the branch or give us a call at (306) 658-2152.

Landis Credit Union Day

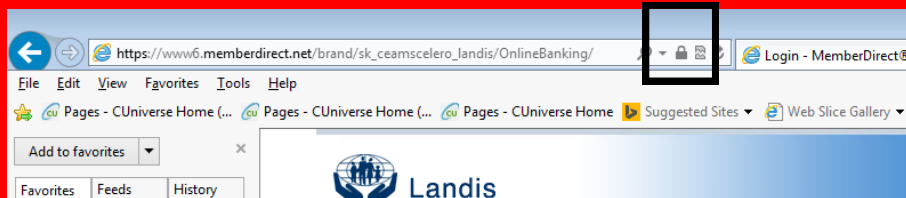

October 19th was Credit Union Day. We had a great turn out for our BBQ lunch and cake. It was great to see everyone here!

Staying Safe on the Internet

To protect yourself online here are a couple tricks to remember:

- look for the lock in the top corner before entering any personal information.
- never follow a link to our website or any other link from an unexpected email.
- clear your cache (browser history) often.
- log out after you have finished banking.
- regularly check your banking accounts for unusual activity.
- only save your PAN (Personal Access Number) on trusted computers.
- avoid using public computers to do online banking when possible.
- ensure your anti-virus and anti-spyware are up to date.

Time to pause and be thankful for what we have, a great community surrounded by family friends and good neighbors.
